# QUATTRO BAILEY

## Paramotor standard features:

- ✓ 2 piece double hoop safety cage
- ✓ Quick release harness
- ✓ Automatic choke
- ✓ 22 litre fuel tank
- ✓ Padded prop covers
- ✓ Engine Manual & 1 litre 4 stroke engine oil

## Technical Specification

<b>ENGINE MANUFACTURER</b>	BAILEY AVIATION (ENGLAND)
<b>ENGINE TYPE</b>	178cc SOHC 4 stroke
<b>POWER OUTPUT</b>	18HP @ 8300RPM
<b>STATIC THRUST (SEE NOTE 1)</b>	60Kg
<b>ENGINE WEIGHT</b>	19.3Kg (electric start)
<b>PARAMOTOR WEIGHT (COMPLETE, NO FUEL)</b>	55Kg
<b>FUEL CONSUMPTION</b>	T.B.A.
<b>RANGE</b>	8+ hours
<b>FUEL TANK CAPACITY</b>	22 litres
<b>PROP OPTIONS</b>	1.30m 2 blade carbon-composite
<b>PILOT WEIGHT RANGE</b>	up to 140kg
<b>NOISE LEVEL (SEE NOTE 2)</b>	60db

**FROM**  
**£4795**  
**INC. VAT**

### Notes

- 1) Static thrust figures are measured on our own calibrated test rig, and are averaged across a variety of different atmospheric conditions (temperature, pressure, humidity).
- 2) Noise level is measured to DULV (German regulating authority) standards, range 100 metres overhead, paramotor at wide open throttle.
